Project MORE Alternative High School

Dear Families of Project MORE,

Hello and welcome. We are off to a good start!!

On behalf of the staff at Project MORE High School, I am happy to welcome you to the 2022-2023 school year! We are looking forward to a productive partnership with you to ensure your student can achieve their highest potential. We recognize that to be successful in school, our students need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

We ask that you guide and support your students' learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience
- 2) Completes all assignments given by teachers
- 4) Shares school experiences and events with you
- 5) Informs you if he/she needs additional support in any area or subject

Furthermore, we ask that you please consider joining our school site council. Meeting take place once a quarter and your voice is truly appreciated.

Thank you in advance and we look forward to an amazing school year with a new and amazing staff.
