Dear Families of Project MORE,

Hello and welcome!!!

We are off to a great start of the school year. We are so excited and thankful to have our students back on campus.

We are excited to have almost an entire new teaching staff! They bring in new ideas, new energy, and new hopes to our campus at Project MORE. Please remember that at Project MORE we are a community and are here for one another.

I also want to take this moment to thank those who attended the Parent-Teacher conferences. We appreciate the opportunity to work together, as we all want to see our students succeed.

Sincerely,  
Israel Macias-Reyes - Principal  
Project MORE Alternative High School
