III. Updates /Evaluated Glow into Your Future-FAFSA Night	<p>The GLOW Into your Future –FAFSA Night event. Overall, the event was well organized and executed smoothly. While participation was on the lower side, we were excited to have four students attend, including one alumnus.</p> <p>Those who participated received valuable information and personal assistance with the FAFSA process. The primary goal was to equip students with as much FAFSA knowledge as possible, and Pima Community College delivered on that mission.</p> <p>The food was a hit , and everything ran according to plan. Everyone agreed that this event was beneficial and should be offered again next year—Ideally in both the fall and spring.</p>	FACE COMMITTEE
