Several families attended and two completed the full session. This year, we tried something new by combining it with parent-teacher conferences. Those who attend benefited from the information Pima Community College provided and felt more prepared to apply for FASFA. The added touch of nachos went over well. 	Stacy Flores

The parent who attended expressed very positive views, especially about how the school supports their child. The discussion focused on how we as a school can improve attendance; however, the parent felt the issue was related to her child personally rather than the school.• 4th Quarter FACE Event, Unlocking the Path to Graduation Escape Room, will focus on family engagement with an emphasis on science, problem-solving, and teamwork. It will be held on Thursday, April 30th from 3:30 p.m. to 5:00 p.m. <p>We are trying a new approach by inviting families to join right at dismissal time as they pick up their students.
